Backstage Pass Institute of Gaming and Technology(JNAFAU), Hyderabad

### Career objective

Hello, I'm Shaikh Akif, a passionate Unity Game Developer with over **3.5 years of experience**. I recently completed my bachelor's degree at Backstage Pass Institute of Game Development, where I developed my skills and love for game design. My background includes personal projects, a 6-month internship, and 6 months as a junior game programmer. I excel in collaborative environments and am excited to bring my creativity and expertise to your team, crafting engaging and memorable gaming experiences.

### Work Experience

#### Game Developer: Brahman Studios, Secernate games 2023 – 2024 (Jr. Developer)

- Developed gameplay mechanics, graphics, audio, and interfaces.
- Wrote clean, efficient code in multiple languages for optimal performance.
- Identified and resolved bugs, optimizing for various platforms.
- Contributed to developing gameplay, graphics, and interfaces for an open-world RPG.
- Collaborated with artists, designers, and developers to resolve bugs and meet milestones.
- Utilized GitLab for version control.

#### Game Developer: Level2Games, 2022 – 2023 (Intern)

- Contributed to game development, including mechanics and graphics.
- Wrote clean code in diverse languages.
- Assisted in bug fixes and optimization.
- Collaborated with team members.
